(i)   Each Practice Test can be run multiple times in any order; however, it is advised to run one test at a time on a computer.

(ii) When a paper is completed, either login with a different Student ID to run a different paper or close the browser. After exiting the browser, a message will come up saying exiting Assessment Master, wait for this to finish before trying to run the AssessmentMaster.exe again.

(iii) Depending upon examinee's system setup, the screen might open in Kiosk mode (full screen) but the paper will behave exactly the same. However, to get out of the paper, press ALT+F4 then enter the password mKiosk OR press ALT+F4 twice and the browser will exit.

(iv) For further guidance on features and functions of the examination software please refer to the document 'Guidance on Examination Software' available at ICAP's website.
